### Powder Coating

Standard Colours at no extra charge:

- Polar White
- Sandalwood Gloss
- Linen Cream
- Tudor Brown
- Midnight Black
- Slate Grey

For a modest upcharge, we offer 35 additional designer colours from our Diamond Series collection.

We also custom match colours. You pick the colour, we'll match it!! We use the highest quality paint formulated to exceed one of the toughest paint standards in the industry for UV and saltspray resistance the AAMA 2603-98.

All of our Mirage roller screens are powder coated painted in-house by trained Mirage personnel. Absolutely no screens are sent elsewhere to be powder coated. This is especially important to ensure proper adhesion of the Aluminum parts on the roller screen. The Mirage warranty ensures you first time quality for a lifetime.
